**The Education Package:** This covers the delivery of early years education in line with the requirements of the Early Years Foundation Stage (EYFS). This includes the salaries for staff to maintain ratios, basic educational resources and equipment needed to meet EYFS requirements, and the basic upkeep of the nursery environment. The Education Package is only chargeable when funding is not used.

**Additional Services:** The Additional Services cover the cost of consumables such as meals, snacks, additional resources, specialist training, extracurricular activities, specialist software, and additional staffing beyond the requirements of the EYFS. Additional Services are charged on all sessions, whether the session is funded or not.

**Price Increases:** We aim to adjust fees annually but may do so more frequently under exceptional circumstances. We guarantee at least one month's notice before any fee increase. Barring unexpected events, the next fee adjustment is targeted for 1st January 2026

**Early Bird Full Day (when funded):** The government allows a maximum of 10 funded hours per day to be used. For our Early Bird full-day session, which runs from 7:15 am to 6:00 pm (10 hours and 45 minutes), the additional 45 minutes must be paid for privately. This results in a daily charge of £11 for the Early Bird session, plus £4.95 for the unfunded 45 minutes, totaling £15.95 per day for parents.

- Private Sessions: If you are not receiving any funding for a session, your cost is the Education Package plus Additional Services.
- Funded Sessions: If you are attending a fully funded session, you will only be charged for the Additional Services for that session.
- Partially Funded Sessions: For partially funded session, you will be charged for the Additional Services for that session in full and you will be charged pro rata for any unfunded hours at the Education Package rate.
- Ad hoc hours are charged at £8.00 per hour.
